# Container / Cargo Awning
MEGA FORTRIS NEW ZEALAND

SECURITY SEALS

Container Awning / Cargo Safety Sheet.

Secure your cargo and protect goods from falling when doors are opened.

Easy to install and secure against tilting, slipping and falling products.
WB-Type   B-Type

1. Easy hooking of the 4 vertical straps into the existing container attachment points.

2. Put the straps into position to the container door.

3. Fully load the container.

4. Fix and pre-tension the cover by inserting the 4 straps into the sewed on clamp locks.

5. Connect the straps diagonally, each with a closure, and clamp using a clamping device.

6. Your goods are secured against tilting, slipping and falling.
