

Dunnage Bags

Kraft Paper Medium 2-ply Dunnage Air Bags

**MEGA FORTRIS
NEW ZEALAND**

The medium standard easybag can be used for medium and heavy loads for dry climatic conditions.

Placed in the gaps between cargo and filled with air, the bags give no space for the cargo to move at all. On top of that, they are shock absorbing to the forces encountered during transportation.

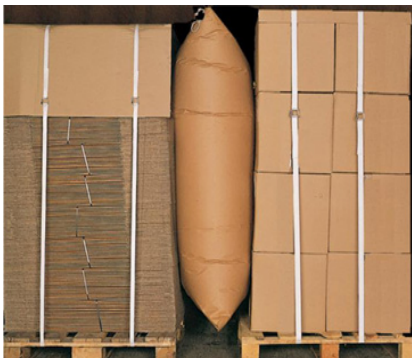

To be used in conjunction with the MegaFlow Air Gun / Inflator

Air Valve

Air Gun / Inflator

FEATURES

- Prevent transport damage
- Clever loading
- Quick & easy to fit
- Reusable and 100% Recyclable
- ISO 9001:2008 Certified
