

Mini Fort Single Lock - MFSL

Recyclable Tear Off Seal

**MEGA FORTRIS
SECURITY SEALS**

The Mini Fort Single Lock (MFSL) is an indicative plastic seal with comprehensive features for security requirements.

It has a double locking mechanism with ribs-structured strap to give clear signs of tamper evidence. It is designed with spikes at the back for better gripping. With a body fully made of plastic material, full decomposition is achievable. Application: retail applications, postal services, logistics and banking.

FEATURES

- 1 The MFSL (NTO & TO) feature a double locking mechanism in its fully PP molded body for added security and durability.
- 2 The locking ribs on the seal provide better grip and stronger endurance during application. Tamper evidence signs are obvious on the strap.
- 3 Spikes are placed behind the seal to provide better grip on the application surface.
- 4 The larger flap allows ample space for identifier marking. Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser-marked on the flap.
- 5 Biodegradable additives for plastic material are available.
- 6 A customised embedded logo back of the seal's flap is available upon request.
