

INDICATIVE SEAL

MEGA POS SEAL (MPT)

Pull-Tight Seal

Ruler-like designed locking strap for industry security needs.

The Mega Pos Seal is a plastic indicative seal with a brief measurement ruler embedded at the back of the seal. With its longer default length, the seal is suitable to secure assets in any kind of carrier. Besides, the embedded ruler can be utilized as a tool for security measurement.

Applications:

- Retail Applications
- Postal Services
- Logistics
- Banking

PREVENTION · PROTECTION · PEACE OF MIND

LASER MARKING OPTION

- 1 The Mega Pos Seal is moulded with Polypropylene (PP) material with metal lock encapsulated to complement the long thick strap.
- 2 One-way locking mechanism is embedded for fast and easy application.
- 3 The strap is designed with a brief ruler at the back for measuring and tamper-evident indication.
- 4 Spikes are placed behind the seal to provide better gripping on the application surface.
- 5 Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser-marked on the flap.
- 6 Biodegradable additives for material are available.
