

INDICATIVE SEAL

FAST SEAL 8-2K (FS8-2K)

Pull-Tight Seal

Two coloured body for security versatility.

Fast Seal 8-2K is innovatively designed with Mega Fortris patented two-colour body for improved visibility and eased identification. Its slim round strap makes it suitable for most latches. This is the best choice for security and authentication purposes.

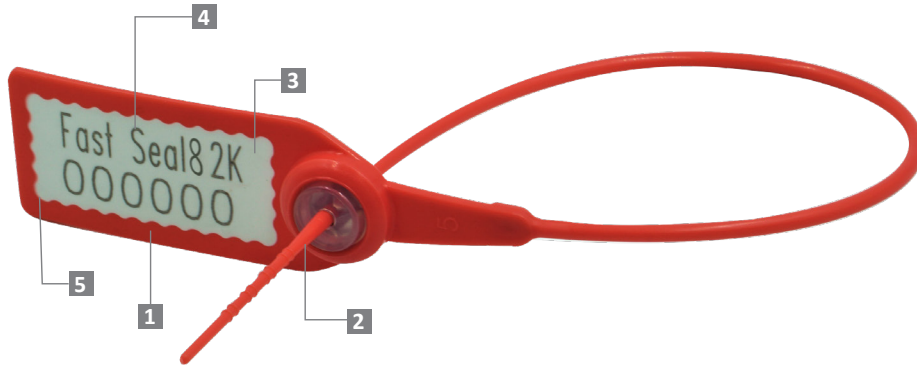

Applications:

- Retail Applications
- Authentication Tagging
- Logistics
- Banking

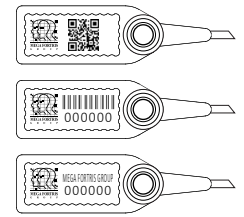

PREVENTION · PROTECTION · PEACE OF MIND

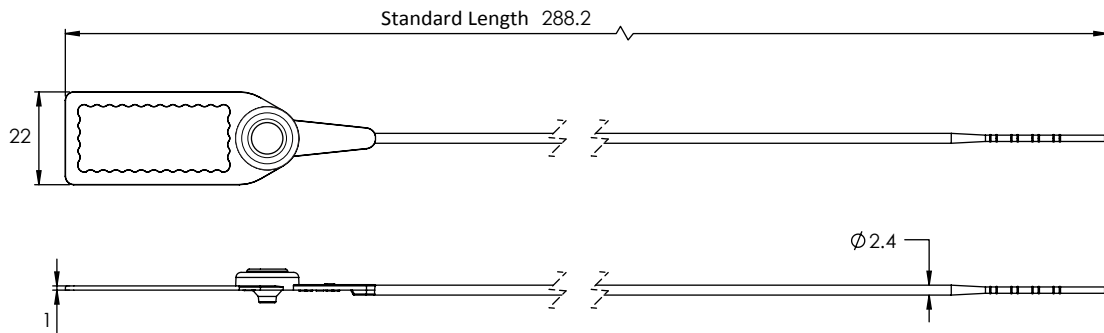

LASER MARKING OPTION

VIEW APPLICATION GIF

- 1 The Fast Seal 2K is moulded with two-colour Polypropylene (PP) material with the metal lock ultrasonically encapsulated to complement the long thin strap for greater security and clear evidence of tampering.
- 2 One-way locking mechanism is embedded for fast and easy application.
- 3 Two colours on the body improve laser markings definition, visibility, and identification.
- 4 Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser-marked on the flap.
- 5 Additional wavy printing surface on flap gives clear evidence of tampering or removal of identifiers.
- 6 Biodegradable additives for plastic material are available.

TECHNICAL SPECIFICATIONS

PRODUCT - FAST SEAL 8 - 2K (FS8-2K)

Code	Material	Locking Length	Locking Size	Tensile Strength	Marking Area	Max Marking Digits
