

INDICATIVE SEAL

SP CASH BAG LABEL TAG SEAL (SPCBS LT)

Pull-Tight Seal

Unique design for additional tagging and enhanced security.

SP Cash Bag Label Tag Seal is an advanced design of the SP Cash Bag Seal, which has an additional label tag on the side. This is to allow external tagging or a neat appearance after sealing. The seal has a rigid structure to withstand rough handling and is user-friendly to seal and remove.

Applications:

- Retail Applications
- Postal Services
- Logistics
- Banking

PREVENTION · PROTECTION · PEACE OF MIND

- 1 The SP Cash Bag Label Tag Seal is moulded with high-impact PP or Nylon (NY) material with the metal lock ultrasonically encapsulated for greater security.
- 2 One-way locking mechanism is embedded for fast and easy application.
- 3 Spikes are placed behind the seal to provide better grip on the application surface.
- 4 Label tag on the side allows for additional tagging and better security.
- 5 The larger flap allows ample space for irreversible laser marking of identifiers such as name, logo, barcode, serial number and QR code.
- 6 Biodegradable additives for plastic material are available.
